Nurture Groups at Trinity

'nurture'

To care for and protect (someone or something) while they are growing.

Why join a Nurture group?

Nurture groups support young people to develop social skills, resilience, confidence, self-esteem and much more.

Being part of a Nurture group offers a range of opportunities for pupils, giving them the social and emotional skills to do well at school.

How do we identify pupils?

- Information from primary schools
- Feedback from class teachers, Pupil Support staff and support staff
- Parental requests
- Settling in check
- Pupil observations (Boxall Profile)

How does it work?

We work with pupils in S1 and S2. Each group has a maximum of 10 pupils.

The groups meet 3 times per week in our Nurture Base.

The days / times will be shared with you at the start of each school year.

Breakfast and lunch items are available for pupils.

There is a balance of learning and teaching, affection, and structure in a home-like atmosphere.

We work through areas of the health and wellbeing curriculum.

Need further information?
