SOAR!

TRINITY PUPILS, FLYING HIGH

S1 - S6 ✳ #CELEBRATING SUCCESS ✳ #STRONGERTOGETHER

WELCOME TO THE VERY FIRST EDITION OF SOAR!

This is our brand new newsletter dedicated to celebrating the remarkable wider achievements of our young people. At Trinity, we are immensely proud of our learners and want to share their success with our whole community so we can celebrate together.

Taking part in Wider Achievement activities helps build essential real-world skills like confidence, teamwork, and problem-solving. Crucially, it also reinforces our **Trinity Skills** of **Critical Thinking**, **Initiative**, **Collaboration**, and **Communication**.

We believe every single achievement is worth celebrating. Please share your child's successes with us—we want to hear about them all!
